

...opens as it TURNS!

Patented packaging concept with TwistLock closure technique and ratchet-length adjustment.

- highly secure bayonet-type twist lock closure, requires minimal force in opening and closing the pack
- contoured tube ends and lateral stiffening grooves together with integrated supports provide cushioning effect
- with ratchet length adjustment
- ergonomic product design offers shape stability
- easy handling
- excellent for stacking and storage
- durable and re-usable
- sturdy, oil and moisture resistant
- optional with separate hanger or end caps (see page 2)

Packing

- outer parts and inner parts are packed separately in individual cartons

Raw material

- Polyethylene (PE)
- Polypropylene (PP)
- Polyvinylchloride (PVC)

Product range

- PE natural, PP transparent or in various attractive standard colors oder two-colored
- available sizes in PVC are marked with *

Accessories

- hanger (see page 2)
- end caps (see page 2)
