

Multiple Packaging with individual detachable Units

- versatile packaging combining single unit with multiple packaging
- user-friendly and efficient: detachable units avoid time consuming packing of single items
- any number of single units possible – simply detach as required
- versions available in one-piece (hinged lid) = FivePack/SixPack or two-piece (separate lid and base) = SplitPack

Product range

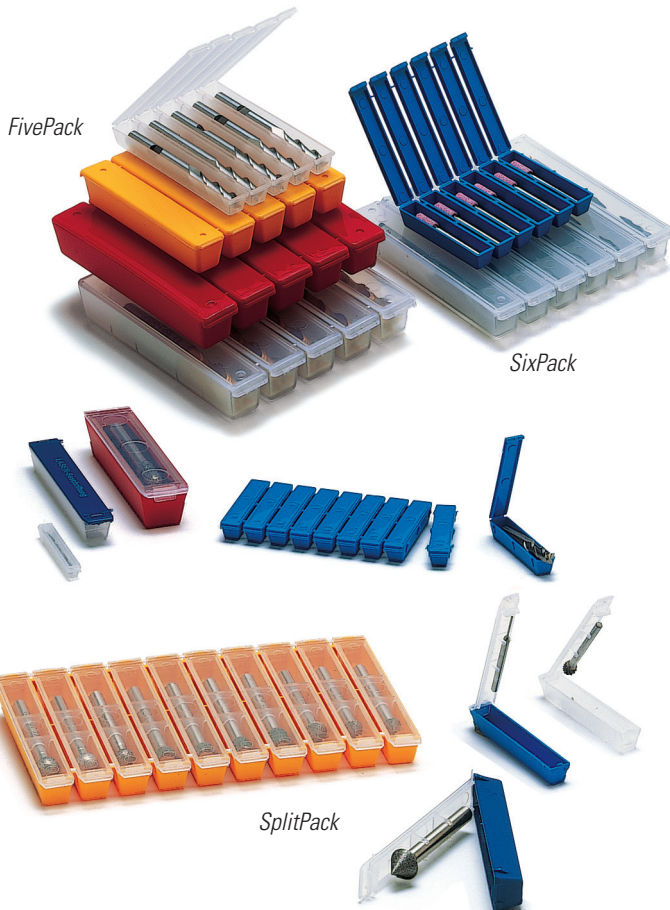

- in PP transparent or in various attractive standard colors or two-colored

Packing

- Bases and lids are packed separately in individual cartons

Raw material

- Polypropylene (PP)
